I take the big yellow bus to school every morning at 7:00.

Marco waits for me at the bus stop, rain or shine.

We wait together until the bus arrives with a loud stop.

We climb up the bus stairs and find our seats.

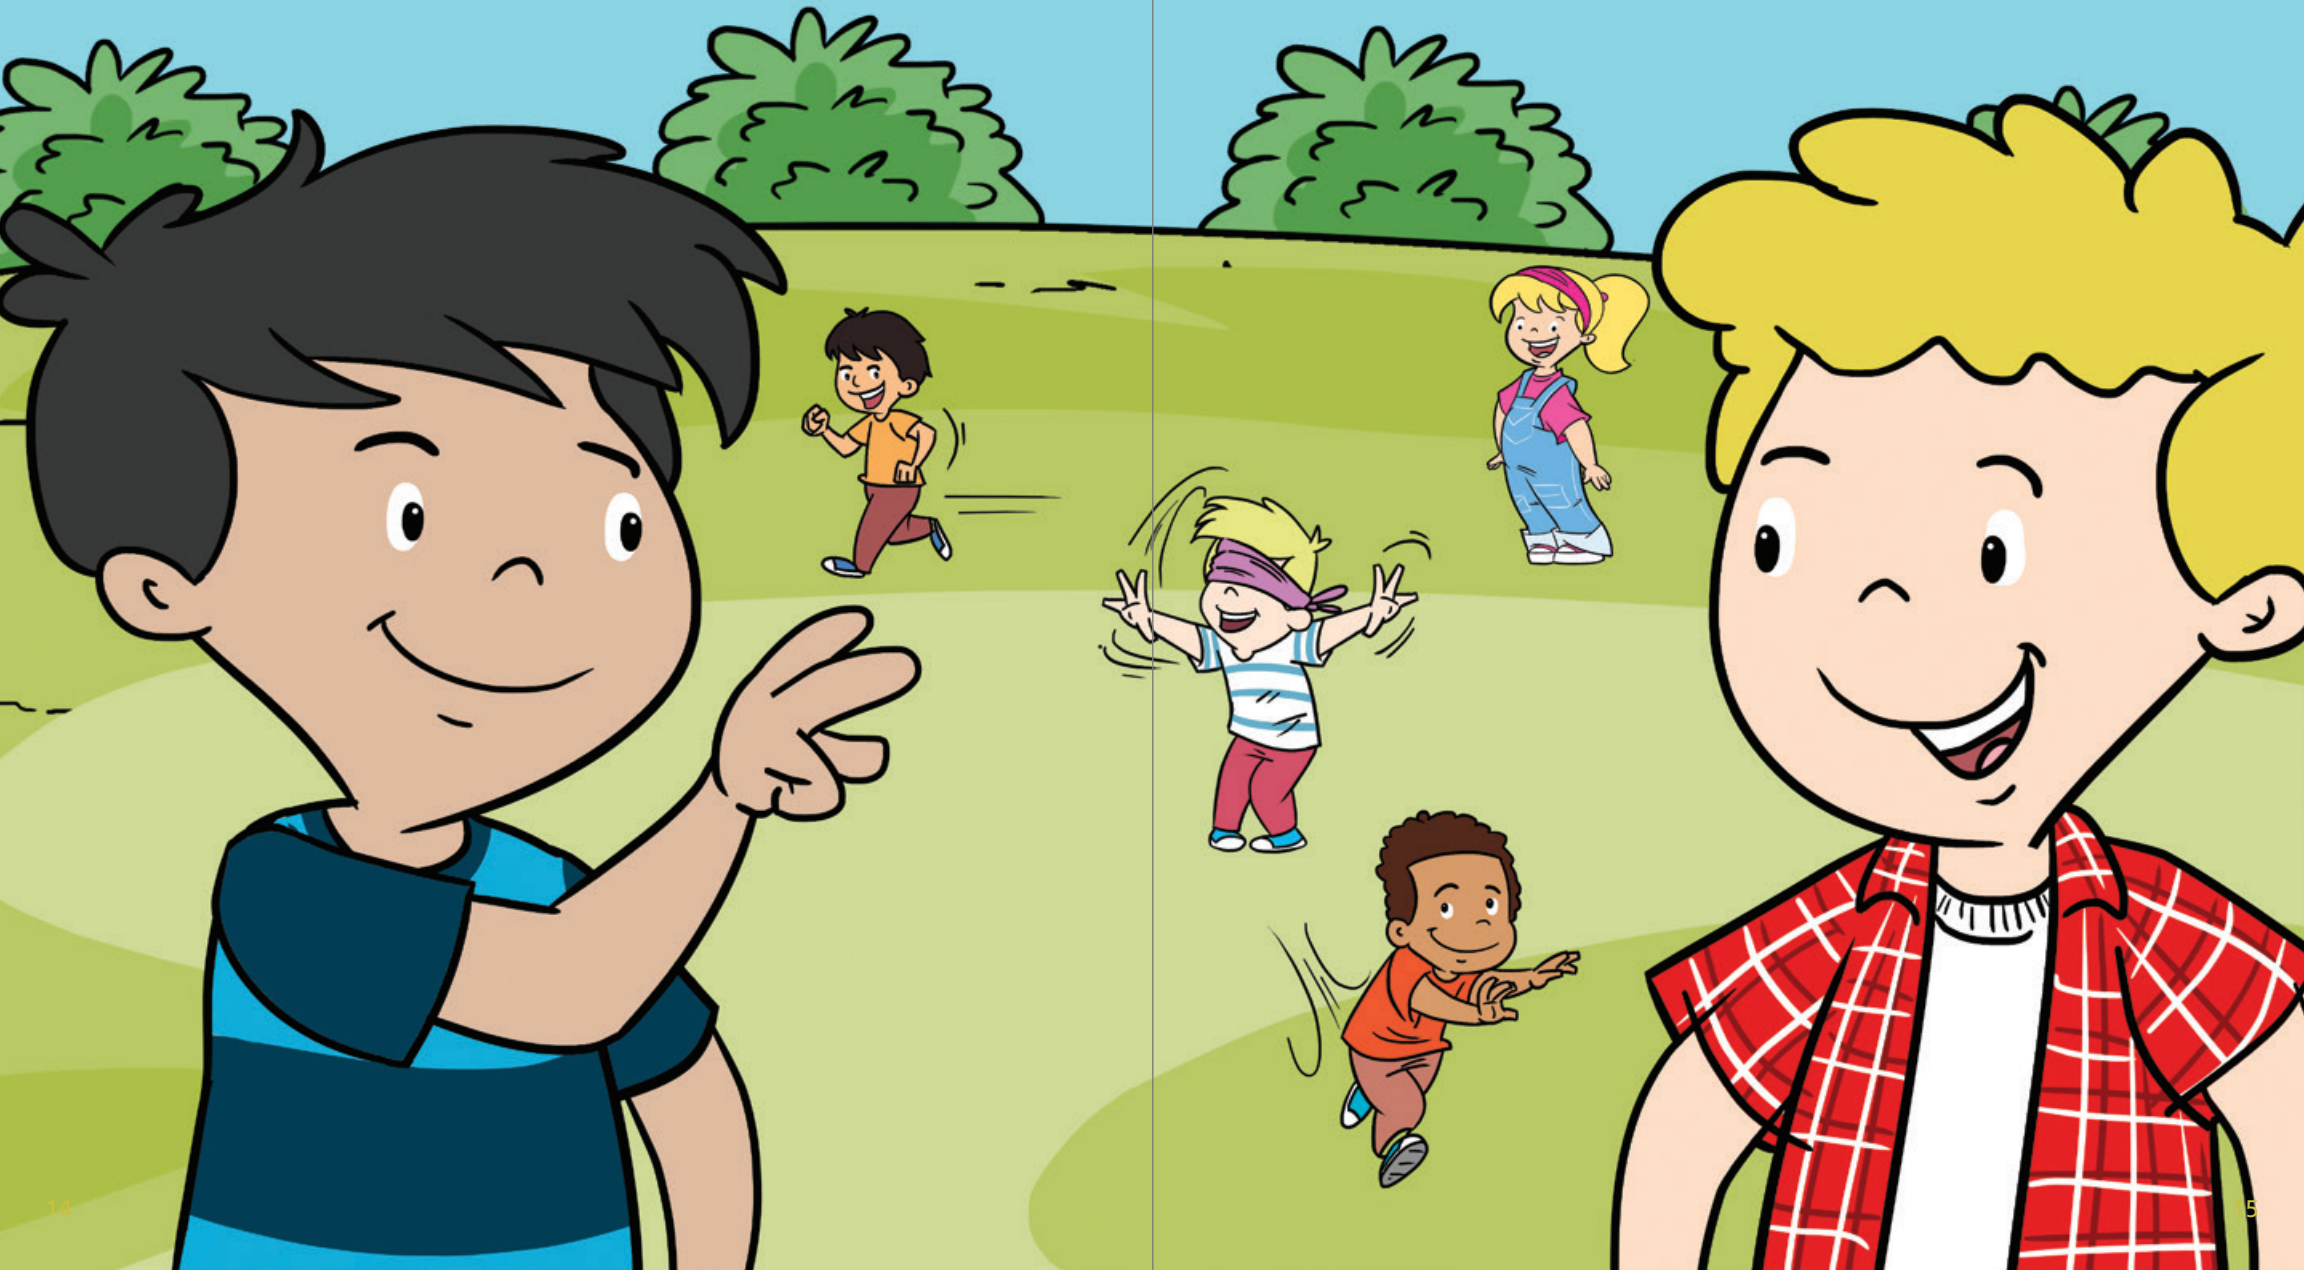

We are at school after the bus ride and share a snack.

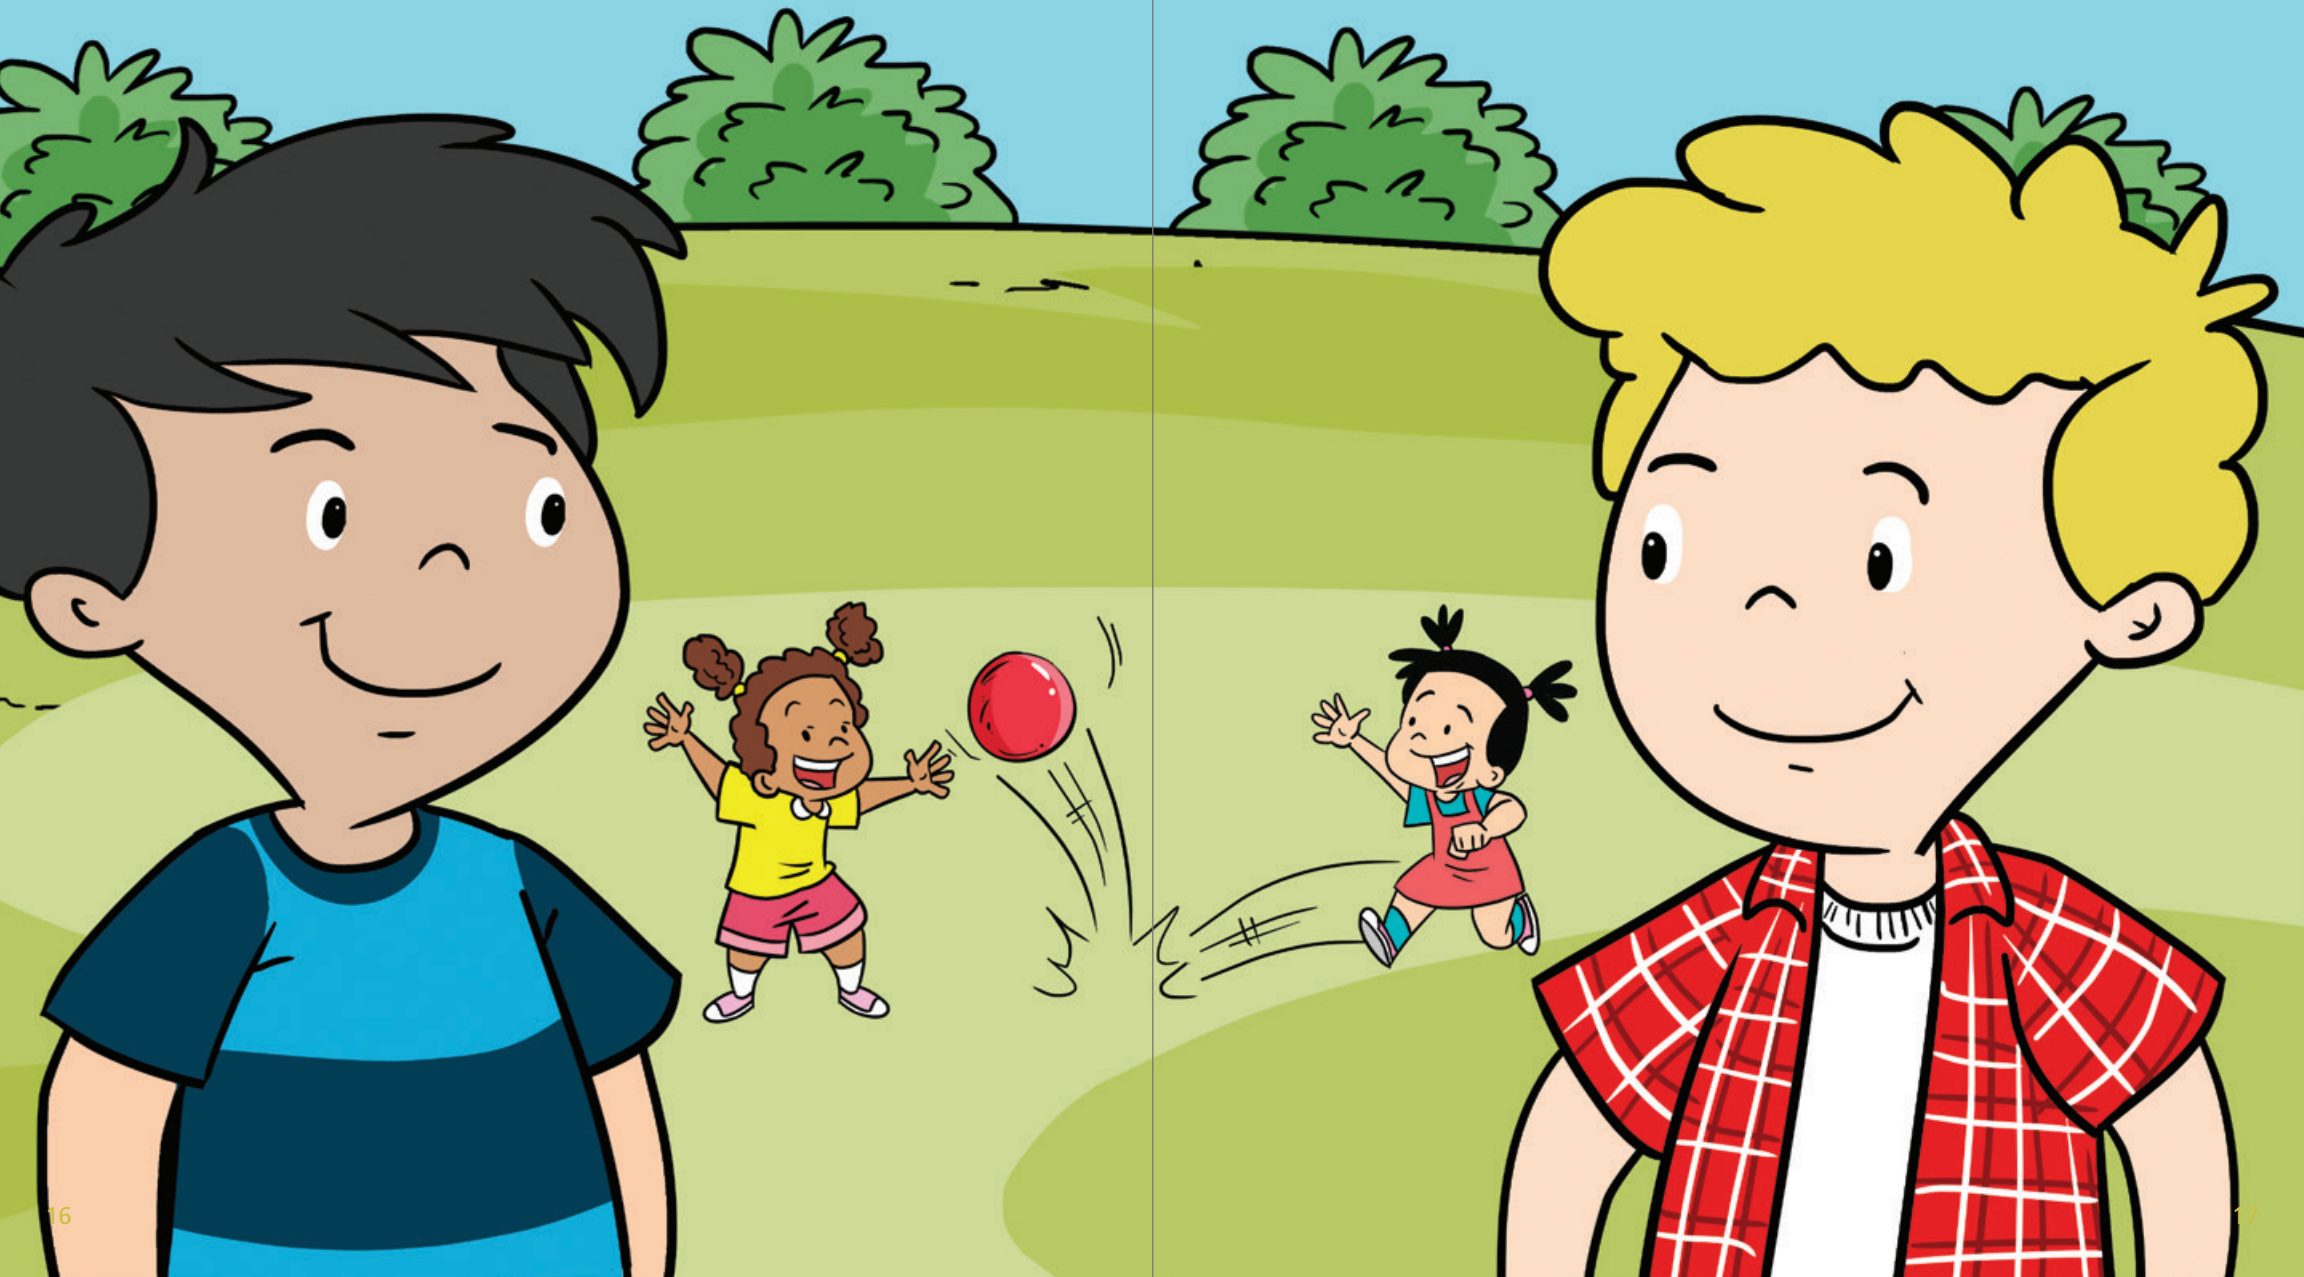

Marco does not talk with words.
He is Deaf.

Marco uses his hands and speaks in Sign Language.

Marco talks with his smile
and with his eyes too.

Marco and I love riding
the bus together. We
are like brothers.
